CIVIC SPIRIT WILL PUSH HAMLIN FORWARD

When a group of Hamlin area citizens interested in the forward-moving of the community, along with an out-of-town Chamber of Commerce official, met in the Primary School building the other evening to discuss the problems and opportunities that exist, it was refreshing to hear from-the-heart expressions from attendants.

Some of the local people were surprised to hear the out-of-towner point to the accomplishments of the past two years in this community, and to point with unusual enthusiasm to the challenges that face our citizenry.

When the subject was broached, "What has the Hamlin Chamber of Commerce done the past two years?" most of the home-town folks were scratching their heads when the representative from the West Texas Chamber of Commerce recalled the CC clinic that was conducted two years ago to map a program of work.

"Now let's see," declared the visitor, "what were the three projects that headed your list of work-to-do? They were street paving, recreational facilities (swimming pool) and town modernization." Then doing a little recapping, the visitor reminded the mass meeting attendants that:

"You have already paved more than 30 blocks of paving in Hamlin, and more will

soon be paved; you have already started on a beautiful swimming pool and made improvements at your City Park that will be a credit to any city the size of Hamlin; a dozen or more of your business houses have been given face-liftings of new fronts and remodeled interiors that impress a visitor to your town.

"Who did these things?" the visitor asked. "The Chamber of Commerce did not actually do them, but it solidified the thinking of your people and provided the necessary group action. Is your Chamber of Commerce worth maintaining and worth supporting? You know the answer—if you and your fellow citizens want to see your little city continue to grow and prosper."

Hamlin, from the outsider's standpoint, he declared is the one little city in all Central West Texas that has a bright future, based on an economy not matched many places in the Southwest—with splendid crop prospects, oil and gas activity, natural resources in gypsum, sand and gravel, oil mill and compress, two railroads and other facilities that should assure the community's growth and prosperity.

A revamping of the Hamlin Chamber of Commerce program and budget is underway, and a forward-looking, energetic, community-loyal people will support the plan magnificently—just you wait and see!

Is Your Car Safe to Drive?

Traffic accidents are a disgrace to this country. Last year they claimed 36,300 lives.

And the great scandal is that in most cases they are unnecessary. More care, more alertness, more respect for the rights of others, would eliminate the greatest number of accidents. Particularly inexcusable are the accidents which grow out of inadequate vehicle maintenance.

Just how many accidents fall into this category can never be statistically established because in many fatal accidents the car, or cars, involved are so badly smashed that pre-existing repair needs cannot be determined. But, in spite of this fact, accident reports show that a significant number of vehicles involved in fatal accidents have one or more unsafe conditions.

Very often such conditions can be present in an apparently normal car. Last year, in a voluntary, nation-wide vehicle safety check program in which more than 1,000,000 vehicles were inspected, one out of four vehicles checked was in need of maintenance attention to one or more parts affecting safe operation. In many cases, the automobile owners did not suspect this need.

Obviously, then, the only way a driver can be sure his vehicle is in safe operating condition is to check and double check.

It's a very simple matter to check for surface danger points. The driver himself can do this. Excessive tire wear, loss of brake efficiency, lights that are not working properly, and other obvious danger spots can be easily detected.

But no driver should be satisfied with these surface checks. He should have his car checked regularly by a qualified mechanic.

He Is Tomorrow

He may be nine to fifteen years old. He is made up of the following ingredients: Noise, energy, imagination, curiosity, eagerness and hunger. He is either "the cute little fellow down the street," "that spoiled imp next door" or "my son," depending on who you are. He is something to keep fed, clothed, healthy and out of trouble.

But he is something else, too. He is tomorrow. He is the future we are fighting for. He is part of the world's most important generation. His generation must keep the peace. His generation will determine whether it was worth doing. He is one of the most important persons in history.

Ruined by Advertising

"I can't understand why you failed in business," remarked the genius to his friend. "Too much advertising did it," his friend replied.

"What do you mean—too much advertising? You never spent a cent in your life on advertising."

"That's true," his friend replied, "but my competitors did."

Editorial of the Week

HOW GOOD IS THE EVIDENCE?

The government of the U. S. is still spending more than it takes in. The budget has not been balanced. A balance next year remains only a pious hope. The national debt which now amounts to around \$1,800 for every man, woman and child, continues to grow.

These are pertinent facts. In their light, President Eisenhower requests by special message to Congress that more billions be appropriated in foreign aid. He has asked for \$3,530,000,000. Foreign Aid Chief Stassen says that two-thirds of this would be spent on 15 countries of Free Asia. These are rather considerable sums of money. In return for sending them to Asia, what is it that we are expected to get? Defense? Future allies? Friends?

In Europe, which is closer home, we have had some experience. We have extended aid. We have assisted. We have lent. How much? Curiously, the United States government, with its vast information facilities, does not give its taxpayers an understandable report on these matters.

These billions have done some good. They have helped keep some parts of the world out of Communist hands. They have repaired a lot of war damage which was not our fault. They have provided some defense facilities for us abroad. They have helped some poor people. They have propped up weak socialistic regimes, strengthened tyrannies and enriched the already rich.

The United States cannot afford less than the best in defense. Asia has become important to defense, and dollars are cheaper than blood. But neither can Americans afford an indefinite and endless drain from guesswork commitments and hopeful give-aways. We are entitled to our money's worth. From President Eisenhower and from all who support this new gift program, our taxpayers have the right to demand persuasive evidence of its effectiveness. The evidence from Europe was not too convincing.—Farm Journal Magazine.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

TWENTY YEARS AGO.

From the issue of The Hamlin Herald dated May 31, 1935, the following news items of 20 years ago in the community are reproduced:

Graduation exercises for graduates of Hamlin High School were conducted Friday evening: Receiving diplomas were W. L. Boyd Jr., H. V. Brown, Harry Carmichael, Wynell Cox, Wilson Melvin Crow, Boyd Gilbert Ellison, Alton Emerson, Jack Byron Farrow, Jack Holt, Kyle Jones, Ernest Jenkins, Edsel McCoy, Warren Nobles, J. C. Turner Jr., Kyle Watts, Marvin York, Lois Faye Anderson, Ethelyn Allen, Pauline Bailey, Jeannette Beard, Leone Bowman, Vivian Brice, Lorene Brown, Ila Carlton, Larue Collier, Gertrude Ellis, Mina Faye Cotten, Rowena L. Davis, Marie Gene Deel, Agatha Griffin, Marjory Belle Hays, Oma Lee Herd, Dorothy Marie Hines, Ima Gene Howard, Juanee Jackson, Macie Johnson, Ethel King, Nora Salome Koen, Florence Knight, Sarah E. Nicholson, Jewel May, Pearl Morris, Marjorie Grace O'Donnell, Lucille Owen, Doris Proctor, Cassie Faye Rowland, Wilma Lee Sanford, Fay Dell Shelton, Robbie Teague, Iva Mae Walker, Geraldine Whitaker and Dorothy Marie Whitlock.

Annie Laura Johnson, teacher in the schools at Fort Stockton, was home last week-end visiting her parents, Mr. and Mrs. W. F. Johnson.

TEN YEARS AGO.

The following items of interest in the community 10 years ago are reprinted from the issue of The Hamlin Herald dated May 25, 1945:

Starr Inzer announced this week the sale of the Inzer Pharmacy to John Ed Day and John Oates. Sixty-one seniors are scheduled to get diplomas in graduation exercises at Hamlin High School Monday evening.

About 500 bales of cotton were destroyed in a fire that destroyed a portion of a warehouse at the Hamlin Compress Friday afternoon.

First carload of 1945 wheat was shipped out of Hamlin Wednesday by Jack Harden. The wheat came from the farms of Fred Young, W. L. Boyd, W. B. Boyd, Henry Plemons and R. M. Young.

Lieutenant Robert L. Fowler, who was reported missing in action over Germany in December, has been liberated from a German prison camp, according to a release from the American Red Cross. He is a son of Dr. and Mrs. Paul Fowler of Hamlin.

Mrs. Earl Smith has been advised that her husband, Staff Sergeant Earl Smith, who has been a prisoner-of-war in Germany after being shot down in a bombing mission, has been released.

FIVE YEARS AGO.

News items of interest in the Hamlin community five years ago included the following, taken from the issue of The Hamlin Herald dated May 26, 1950:

Wheat harvest has started in the Hamlin territory, and indications are that the yields will be larger than at first anticipated. Several farmers have reported yields up to 25 bushels per acre. Some 2,000 new seats will be provided through construction of new steel stands scheduled to get underway soon at the Pied Piper stadium by T. E. Shelburne & Son, contractors.

Good results have been reported in the annual city-wide cleanup campaign being sponsored for Hamlin by the local post of Veterans of Foreign Wars.

Richard Dennis Davis Jr., four-year-old son of Mr. and Mrs. R. D. David, died Sunday from electrical shock. The child, playing under the trailer house of the couple in North Hamlin, came in contact with electric wires leading to the trailer.

Interest in county politics is increasing with the approach of the July primary.

ONE YEAR AGO.

Among news items of interest in the Hamlin community a year ago were the following, reprinted from the issue of The Hamlin Herald dated May 28, 1954:

Hamlin's three lakes caught more water over the week-end as showers measuring 1.63 inches provided some run-off. The rainfall brought the year's total to 9.34 inches, according to the government rain gauge at the city pump station.

Cotton farmers of the Hamlin section are promised small increases in cotton acreages under plans being pushed by Congressman Omar Burleson in Washington, it was announced this week.

Looks like the Thunderbird— Acts like it, too!

A Test Drive will prove Ford's Trigger-Torque power lives up to the promise of Ford's Thunderbird styling

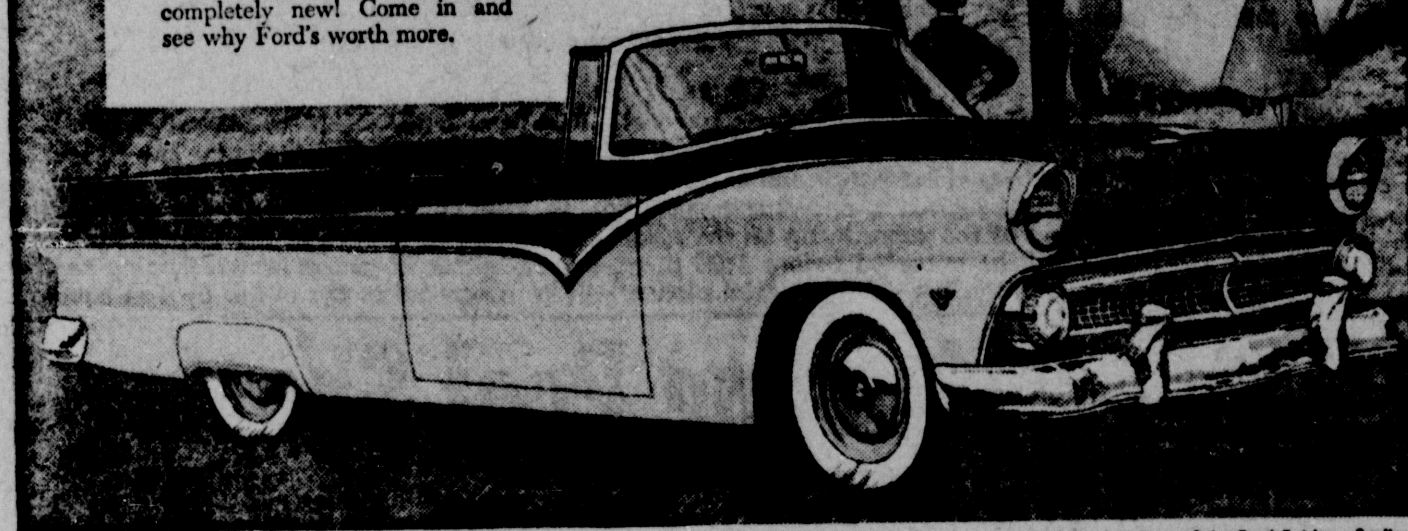

Ford used the long, low Thunderbird as an inspiration for the styling of its 16 models for 1955.

Ford also captured a lot of the Thunderbird's "Go" . . . a lot of its easy handling . . . and a lot of its interior beauty.

You'll find Ford's Trigger-Torque power gives you action right when you want it. You'll feel safer—pass faster.

You'll find Ford's Ball-Joint Front Suspension helps Ford hold the road like a coat of paint . . . and a new front suspension mounting gives Ford a silky-smooth Angle-Poised Ride.

Then, Ford interiors, like those of the Thunderbird, are rich, colorful and completely new! Come in and see why Ford's worth more.

Father's Day to Get Attention of Beef Council, Says Herald's Market Reporter

Fort Worth.—For many years someone now and then expressed regret that Father's Day did not get the attention it deserved as a national holiday. Some cynics have gone so far as to say that it seemed as if about the only time Dad occupied the center of the stage was on pay day or when the bills came in each month.

Not so any more!

The Beef Council, making a strong bid for Dad and also to promote beef, says: "There is one sure way of pleasing Dad at meal-time on Father's Day. Serve him a man's dinner, long on beef and short on budget!"

In rejoinder the Poultry and Egg National Board calls upon the family to "give Dad the special occasion dish that is America's favorite and a favorite of the budget-wise housewife — serve spring chicken broiled or fried on Father's Day."

All it took for the Old Man to get some attention was two of the principal means of the country to meet in a battle for higher consumption of their product. Looks like Dad is at least going to be remembered at the dinner table this time!

"Hot Flashes Stopped" or strikingly relieved

In 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life" — you may be suffering unnecessarily!

For... in tests by doctors... Lydia E. Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"

So... get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "hot waves!"

Boy Scout Leaders to Meet at Stamford Cafe

Several Hamlin Scouters are expected to be among those present this (Friday) evening at 7:00 o'clock at a combined meeting of all neighborhood commissioners and district operating committee members of the Northern District, according to Rae Eastland of Stamford, district chairman, and Joe Breed, district commissioner at Anson.

The district business meeting, embracing representatives from Shackelford, Jones and Haskell Counties, will be a dinner meeting at Nat's Cafe in Stamford.

The agenda includes Canada canoe trip, summer camp, July swim meet, new unit organization, advancement factors, first aid training, and other business.

tive parity of 59.2 cents per pound.

Trade was active and prices fully steady to strong in the sheep barns at Fort Worth Monday. Shipper and order buyer demand was strong, and feeder classes were getting more active attention. Breeding age ewes were again in good demand.

Good and choice spring lambs drew \$19 to \$22; and cull, common and medium springers drew \$10 to \$18. Feeder type spring lambs were quotable at \$16 down. Old crop shorn fat lambs of good and choice grades sold from \$14 to \$16; while cull, common and medium clipped lambs drew \$10 to \$14. Feeder type spring lambs sold from \$11 to \$13. Old wethers drew \$6 to \$10, and slaughter ewes \$4 to \$5, a few higher. Breeding ewes drew \$6 to \$12; old bucks sold around \$3 to \$4.

The American Meat Institute takes note of the big movement of hogs to market at this season which is contrary to the usual marketing pattern. This out-of-season heavy movement has held prices down in recent weeks. The institute reports currently pork prices are from 13 to 31 per cent

Seven from County To Attend 4-H Club Round-Up at A&M

Five Jones County 4-H Club boys and girls and their two sponsors, the county agents, will be among the some 2,000 delegates and adults from over the state who will converge on College Station June 8, 9 and 10 for the annual 4-H Round-Up.

Delegates to the 1955 meeting will have a choice of 17 short courses in various subject matter fields, and will be further acquainted with the facilities of Texas A. & M. College.

State winners also will be determined in 18 judging and team demonstration contests, ranging from field crops to dressmaking. Delegates to the Round-Up are chosen on the basis of their accomplishments and leadership in 4-H Club work. Two boys and two girls from each county may attend, an adult leader either a local leader or extension agent accompanying each group.

The popular chuck wagon supper and share-the-fun festival are again among attractions which will keynote the three-day meeting.

All 4-H activities, including the Round-Up, are under the supervision of the Texas Agricultural Extension Service.

Those who are going from Jones County are Beth Adkins, Nancy Hunter, Delbert Wilson, John Mitchell and Hunter Hawkins. Beth is the District III first place winner in the public speaking contest and will enter the state competition on June 8. Nancy is a delegate from Jones County. Delbert, Hunter and John are the District III first place team winners of the entomology team.

These boys and girls will leave early Tuesday morning, June 7, with the Jones County extension agents, Jimmie Lou Wainwright and Bill Lehmborg.

BURGLARIES

(concluded from page one)
Hamlin, recovered most of the \$700 in merchandise taken from that firm in a burglary in June, 1953.

Carl Murrell of Murrell Chevrolet Company at Hamlin, identified some of the goods taken from there in November, 1953, including a projector. Murrell also reported the loss of considerable cash.

Jerry Waggoner of Waggoner Drug of Hamlin recovered a portion of the \$1,200 worth of goods taken from that store.

Mrs. S. D. McMahon, owner of McMahon Jewelry Store at Hamlin, got back some of the \$1,000 worth of articles taken from the store in December, 1952.

C. L. Howard of Howard City Drug in Hamlin, identified some of the merchandise which had been taken from his store.

Gene Prewitt of Prewitt Motors recovered about \$200 in tools and tires taken from his place of business.

Hill Service Station was another place which Linsky admitted burglarizing. He said he took about \$10 in cash and some shotgun shells.

Linsky was charged in the three Rotan burglaries at Roby Monday. He was to face arraignment at Anson for the Hamlin burglaries later, Sheriff Dave Reves of Anson said this week.

Linsky's wife was employed at the Southwestern Bell Telephone Company office in Hamlin when they lived here. They have two children.

Linsky is reported to have served two prison sentences for burglary and robbery in New York State before coming to West Texas. Officers were aware of his background, and he had been under suspicion for several months, but "we just never could pin the crimes on him," Police Chief J. H. Foster told The Herald Wednesday.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the drivers chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

Patsy Ruth Parker Becomes Bride of William Paul Woods in Home Rites

Patsy Ruth Parker, daughter of Mr. and Mrs. Ben Y. Parker of Hamlin, became the bride of William Paul Woods Jr. of Abilene in a double ring ceremony Friday evening at 6:00 o'clock in the Parker home, 551 Northwest Avenue A. The bridegroom is the son of Mr. and Mrs. William Paul Woods of Abilene.

Vows were read before a fireplace and big mirror which were flanked on either side by burning tapers. Baskets of gladiolas also complemented the scene. Performing the rites was Rev. Houston Walker, pastor of the First Baptist Church.

Preceding the rituals Mrs. Clyde Lewis sang "Because" and "O, Promise Me," accompanied by Mrs. L. B. Baker.

Maid-of-honor was Bobbie Parker of Fort Hood, cousin of the bride. She wore a dress of pink organdy, and the ballerina skirt

Alice Lee Kemp to Train for Agent Job

Next Monday, June 6, Alice Lee Kemp will assume the position as assisting county home demonstration agent in training in Jones County.

Miss Kemp is a native of Young County, a 1951 graduate of the high school at Graham. She is a recent home economics graduate of Texas State College for Women at Denton.

When Miss Kemp has completed her training in Jones County, she will be placed on a permanent appointment as county home demonstration agent in some county in Texas, according to Fern Hodge, district agent.

was pink net over pink satin. She wore pink shoes and a white gardenia corsage.

Best man was Fred M. Newman of Abilene. Clarence Parker, brother of the bride, and Rodney Spaulding were candle-lighters.

Given in marriage by her father, the bride wore a white lace belted length princess style dress. Her shoulder length veil fell from a white lace effect hat. Her shoes were white. She wore an orchid corsage and carried a white Bible.

Following the wedding rites, a reception was held in the Parker home. Mrs. Fred Newman of Abilene served punch. Mrs. Don McBride of Abilene served cake, and Miss Parker registered the guests.

For a wedding trip to Tampico, Mexico, the bride chose a princess style beige linen dress with a matching short jacket. Her accessories were pink.

The bride had attended Hamlin High School, and has been employed by Miami Operating Company in Abilene. Young Woods is a graduate of Abilene High School, and is associated with his father in the real estate business in Abilene.

After their return from their wedding trip on June 5, the newlyweds will be at home at 1410 Vine Street in Abilene.

Rose Marie Brady to Wed San Angelo Man

Mrs. T. T. Brady is announcing the engagement and approaching marriage of her daughter, Rose Marie, to James Hardy Turnbull, son of Mr. and Mrs. J. E. Turnbull of San Angelo.

The wedding will take place in the First Methodist Church in Hamlin on June 26.

A graduate of McMurry College, Miss Brady received her bachelor of arts degree May 23. Turnbull has just recently returned after serving two years in the Army, 17 months of which he served in Germany.

The group voted to hold their family reunion the last Sunday in May at Brady.

Hamlin Homemaking Girls, Sponsors and Mothers at Camp

Fifteen Hamlin girls, three mothers and two sponsors are attending a two-day camp at the Presbyterian Encampment Place at Buffalo Gap yesterday and today (Friday). The group were one of eight area chapters of the Future Homemakers of America attending.

Schools represented were: Aspermont, Seymour, Rotan, Albany, McCaulley, Girard, Avoca, Stamford and Hamlin.

Girls making the trip included: Doris Forbes, Elizabeth Norton, Lou Borden, Renee Moore, Benita Smith, Donna Kidd, Betti Teague, Cecilia Albritton, Mary Ann Wilbanks, Gayle Bishop, Jean Powell, Reba Roland, and Lusara Dean.

Mothers included: Mrs. Joe Norton, Mrs. W. O. Wilbanks, and Mrs. Cecil Brown. Mrs. Joe Wayne Carter and Mrs. James E. Simmons are sponsors.

MARRIED FRIDAY EVENING at 6:00 p. m. in the family residence was Patsy Ruth Parker (above) to Paul Woods Jr. of Abilene in a double ring ceremony. She is the daughter of Mr. and Mrs. Ben Y. Parker. The couple left on a wedding trip to Tampico, Mexico and will reside at 1410 Vine Street, Abilene upon returning home.

Gift Party Given at McCaulley Home Ec Room for Beth Jones

A pre-nuptial gift party honoring Beth Jones, bride-elect of W. A. Hawkins, was given Friday afternoon in the new home economics room at McCaulley High School.

Mrs. Luther Rector acted as hostess, and assisting hostesses were Mrs. Luther Maberry, Mrs. Levi McCollum, Mrs. Robert Gartman, Mrs. Red Myers, Mrs. Frank Houghton and Mrs. George Maberry.

Miss Jones wore a tulle dress of shantung weave cotton with molded bodice and full skirt. Her jewelry was summer white, and her other accessories were black patent.

Mrs. Levi McCollum presided at the tea table which was covered with a white damask cloth. Mrs. Houghton and Mrs. Gartman helped with the serving. Cut gar-

den flowers decorated the table and the punch was served from a crystal service.

The honoree received part of her gifts from a silver covered wishing well, entwined with ivy. Pictures were made of the bride-elect and the house party.

Forty-eight guests registered. Mrs. George Maberry registered guests. Good-byes were said by Mrs. Rector.

Friendship Club Elects Mrs. Fred Young at Convention Delegate

Mrs. Fred Young was elected club delegate to the Texas State Home Demonstration Club convention in June, when members of the Friendship Home Demonstration Club met Friday afternoon at the oil mill guest house in regular session. Time of meeting for the club was changed from 2:00 to 3:00 p. m.

Mmes. Jap Kemp and Ray Johnson gave an interesting and informative demonstration on using ground meat. The group was told that ready-ground hamburger is the pet of most menu makers—and a thrifty one that almost everyone likes.

"Remember that if you are getting hamburger ground to order beef chuck cuts makes tenderer, more flavorful and juicier ground beef than other cuts. Happily, chuck is more economical. If you have round cuts ground, have two ounces of suet ground with each pound of lean meat.

"We cannot urge you too strongly to handle hamburger as little as possible—the less handling it gets, the juicier and more tender it will be. So pat those patties loosely into shape and do not pack them down with your spatula while they cook.

"When mixing meat loaf, toss it together lightly, using a two-tined fork."

Mrs. Kemp demonstrated the preparation of tallarina, and Mrs. Johnson demonstrated hamburger patties. Mrs. W. D. Carlton and Mrs. Jack Collins served cookies and cold drinks.

New Officers for Beta Theta Chapter Installed at Meeting in Russell Home

Mrs. Gerald Young was installed as the new president of the Beta Theta chapter of Beta Sigma Phi when members and guests met last Thursday afternoon in the last meeting of the year. Mrs. Austin Poe was hostess to the group in the new den of the home of Mr. and Mrs. W. C. (Ted) Russell.

Mrs. S. C. Ferguson Jr., rethring president, installed the new officers. Those taking the oath of office were: Mrs. Brad Rowland Jr., vice president; Mrs. Arlie Cassle, recording secretary; Mrs. Edgar Boaz, corresponding secretary; Mrs. Garland Preston, treasurer; Mrs. Earl Smith, reporter; Mrs. W. F. Martin, parliamentarian; Mrs. C. Weldon Griggs, sponsor; and Mrs. Austin Poe, director.

Mrs. Poe presented Mrs. Ferguson the traditional president's gavel guard for her pin.

Mrs. Russell invited guests to the dining room, where the serving table was laid with a white linen cloth and appointed in silver. Lavendar asters and bells of Ireland in a silver bowl centered the table.

Mrs. Griggs presided at the silver coffee service. Mrs. George Poe and Mrs. Jerry Waggoner assisted in the dining room.

Mrs. Holly Toler and Mrs. Carl Murrell presented an interesting program of highlights of their recent trip to Japan. Mrs. Poe presented each of them a gift.

Special guests present were Mmes. Frank Waggoner, B. S. Ferguson, Tate May, John D. Ferguson, Joe Wayne Carter, J. E. Simmons, Price Amerson, W. M. Simpson and Miss Ella Temple.

Members present were Mmes. Toby Williams, J. O. Ballard, Vernon Townsend, John Taylor, Cliff Reynolds Jr., M. L. Smith, Earl Smith, Garland Preston, W. F. Martin, Arlie Cassle, Brad Rowland Jr., E. J. Hawkins, Jerry Waggoner, George Poe, W. T. Johnson, Gerald Young, Weldon Carlton, Edgar Boaz and John C. Bryant.

Banking After Hours

We Have Just Installed a

NIGHT DEPOSITORY

At the North Side of the Lobby Entrance at Bank

Keeping pace with modern banking procedures, your Farmers & Merchants National Bank takes pride in announcing the inauguration of a new Night Depository Service for our banking patrons. With this new service, banking patrons may do many of their regular banking transactions after regular banking hours, without the necessity of a teller or other bank official.

For example, a patron may make out his deposit at the close of a business day in the usual manner, placing his checks and cash in a special bank sack, and place them in our convenient Night Depository in the bank foyer. The following morning the deposit will be handled through regular channels, and the bag may be picked up.

Out-of-town customers or others may come in at any time after hours, with deposits or other transactions for handling through the system.

Under this plan huge sums of money, for example, will not have to be kept in a store or home overnight or over holidays. May we tell you more about it at our offices?

HER AIM WAS BAD.
Jimmy's mother, a great believer in the "be a little gentleman-and don't fight" method of raising her child, was unsuccessfully trying to instill this noble outlook into her pugnacious young son.

"Jimmy, when that naughty boy threw stones at you, why didn't you come and tell me instead of throwing them back at him?"
"What good would that do, mom?" snorted Jimmy. "You can't hit the side of a barn."

Organization Formed For Double Mountain Teen Age Ball League

Melvin Lindsey of Albany was elected president of the Double Mountain Teen Age Baseball League when representatives of four area towns met last Thursday evening at the Athletic Supply in Abilene for the organization meeting.

Other officers named were: Al Finch of Rotan, vice president; J. B. May of Hamlin, secretary-treasurer; and Gordon Pursley of Merkel, member of the board of directors with the other officials.

Local managers for the teams were named as Melvin Lindsey of Albany, R. S. Ragdale of Rotan, W. D. (Bill) Adair of Hamlin, and Gordon Pursley of Merkel.

A schedule of six weeks of games between the four teams was adopted, play to begin on June 14. The complete double round-robin schedule is found in another column of today's Herald.

Seven Methodists from Hamlin Among 1,000 At Annual Conference

Seven Methodists from Hamlin were among the more than 1,000 ministers and laymen of the Northwest Texas Methodist Conference who were in attendance during the sessions of the annual conference which were held in the First Methodist Church at Lubbock from last Wednesday through Sunday evening.

Major items of business included the approval of an \$800,000 building program for McMurry College at Abilene, and the election of delegates to the General and South Central Jurisdictional Conferences to be held in 1956 at Minneapolis, Minnesota, and New Orleans, Louisiana.

Those registering from Hamlin were Rev. Darris L. Egger, Rev. and Mrs. Orion N. Lewis, John C. Bryant, Mrs. J. B. Bybee, L. B. Smallwood and Mrs. B. F. Ford.

Hamlin Boy Scouts To Attend District Camp Next Week

A group of Hamlin Boy Scouts will be among the scores of area youths who will be attending the annual camps at Camp Tonkawa, beginning next week, according to Ray Davis, district Scout executive.

Scouts and Explorers planning to attend the camp are: Hamlin Lions Club troop, June 5 to 12, with Doyle Bringer in charge; Albany Christian Church troop, June 5 to 12, with camp leaders Richard Porter and George Bosneck; Stamford Methodist Church troop, June 5 to 12, with camp leader Charlie Turbeville; Anson Methodist Church troop, June 5 to 12, with camp leader Ernest Pittman; Anson Lions Club troop, June 12 to 15, with camp leader Tommy Beene; Haskell Lions Club troop, June 19 to 26, with camp leader Austin Coburn.

Haskell Methodist Church troop, June 26 to July 2; Paint Creek troop, June 26 to July 2, with camp leader Gene Overton; Avoca Parent-Teacher Association troop, June also; Sagerton Lutheran Church troop; Hawley Baptist Church troop; Rule Chamber of Commerce troop, under camp leader Malcomb Hertenberger; Rochester Rotary Club troop with camp leader Joe Fletcher.

Camp Tonkawa is the camp of the Chisholm Trail Council, Boy Scouts of America. It is located at Buffalo Gap next to Abilene State Park. The program is planned and operated to help the Scout leader and the junior leaders bring to the Scouts a real, true Scouting experience 24 hours a day, declares Davis. The camp has one of the finest swimming pools in the Southwest. A trained life guard and instructor are provided to train the Scouts in water safety, swimming and life saving. Nearly every non-swimmer is taught to swim while he is at camp.

The camp rifle range is affiliated with National Rifle Association and is operated so as to teach firearms safety and skill in marksmanship. An archery range is provided also. The Scout will have a chance to complete his advancement requirements and many merit badges while at camp.

The camp is governed by one rule, and that is the Scout oath and law, which becomes a part of the every-day life of the Scout, concludes Davis.

You can never overcome the universal material revolution by conceding to it materially; you can only overcome it by stressing the moral, intellectual and spiritual side of your existence.—Dr. Charles Malik.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home.

Surviving the octogenarian are her husband; two sons, A. Y. Busby of Fort Worth and B. C. Busby of Houston; five daughters, Mrs. J. C. Morris of Fort Worth, Mrs. M. B. Kimberlin of Dallas, Mrs. E. J. McBride of Monahan, Mrs. D. R. Weber of Shallowater and Mrs. Clifford Stuart of Hamlin; a brother, B. C. Courtney of Oglesby; and 24 grandchildren.

Funeral services were conducted Monday afternoon at the First Baptist Church in Hamlin. Officiating was Rev. Houston Walker, pastor.

Funeral services for Mrs. Louisa Ellen Busby, 80-year-old resident of 29 Southwest Avenue E, died Saturday morning early at the Hamlin Memorial Hospital, where she had been a patient for nine days. She had been an invalid for five years.

Born at Blevins in Falls County, August 30, 1874, Mrs. Busby was the daughter of the late Mr. and Mrs. J. L. Courtney. She was married to B. P. Busby on December 1, 1889, and the couple moved to Hamlin about two years ago from Lorena.

Funeral Rites for Mrs. Louisa Busby Conducted Monday

Funeral services for Mrs. Louisa Ellen Busby, 80-year-old resident of 29 Southwest Avenue E, died Saturday morning early at the Hamlin Memorial Hospital, where she had been a patient for nine days. She had been an invalid for five years.

Born at Blevins in Falls County, August 30, 1874, Mrs. Busby was the daughter of the late Mr. and Mrs. J. L. Courtney. She was married to B. P. Busby on December 1, 1889, and the couple moved to Hamlin about two years ago from Lorena.

Funeral services were conducted Monday afternoon at the First Baptist Church in Hamlin. Officiating was Rev. Houston Walker, pastor.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home.

U. S. Forces to Stay In Korea Declares Speakers to Lions

"U. S. military forces will remain in Korea for a number of years," prophesied Jerry Carr, Hamlin soldier just returned from that Far Eastern spot, when he spoke at the Tuesday noon luncheon of the Hamlin Lions Club at the oil mill guest house.

Young Carr, connected with the Quartermaster Corps of the U. S. Army, said that if United Nations forces were withdrawn from the already war-torn country, the Chinese Communists would immediately overrun the land and threaten other lands in the area.

"Korea still is badly torn by the ravages of war, few repairs having been made. Even the capitol building at Seoul has never been repaired from the war damage," Carr said.

Korea is terribly backward, he observed, where no tractors, few livestock and primitive methods are used. He said American forces generally are well liked, and that they are building a system of roads and other communications. However, no repairs to the homes or buildings are being made by the troops.

Besides the speaker, other visitors at the Tuesday luncheon were Dan and Van Newberry, sons of B. V. Newberry.

Santa Fe Carloadings Continue Above 1954

Santa Fe Railway System carloadings for the week ending May 21, 1955, were 22,964 compared with 20,565 for the same week in 1954. Cars received from connections totaled 12,259 compared with 11,252 for the same week in 1954. Total cars moved were 35,223 compared with 31,817 for the same week in 1954. Santa Fe handled a total of 35,432 cars in the preceding week of this year.

Police Chief Foster Attends Gathering of Officers Near Spur

Police Chief J. H. Foster last Friday attended the sixth annual meeting of West Texas peace officers at the Wood Ranch in Dickens County near Spur, when 278 special guests and friends partook to two barbecued beefs and other hospitalities provided by the hosts.

Started in 1949 as a gesture to a few officers of that area by the Woods, the event has grown to include a broad expanse of West Texas.

One of the features of the meeting, besides the get-together angle that provided plenty of conversation and "shop talk," was a rattlesnake shooting rodeo. Snakes were placed in a sand-floored enclosure, and some of the best shots of the section competed with their pistols in clipping the heads from the snakes. Highway Patrolman Davis, formerly of Stamford, was one of the stars in the competition.

Foster said he was not good enough shot to participate.

No pillar or post
for this wide-open beauty

It's the new kind of hardtop—
The 4-Door Riviera!

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the walloping might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflow.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 198-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflow Drive is standard on Roadmaster, optional extra cost on other Series.

LAST WEEK'S MYSTERY FARM PICTURE in The Herald was first correctly identified by Mrs. Jay Perryman of Route 4, Hamlin, as that of the place of Mr. and Mrs. A. G. Smith, seven miles southwest of Hamlin. The Smiths purchased the place 15 years ago, and are devoting its 180 acres to the raising of row crops and wheat. They run a good sized herd of livestock on the place. Good soil practices are maintained.

Hamlin All-Church VBS Attendance High

Hamlin's all-church Vacation Bible School is reporting peak attendance this week, according to a report gathered by Rev. Houston Walker for The Herald. A grand total of 542 children and teachers were reported from seven churches.

Seven floats kicked-off the first event in Hamlin with a parade last Saturday afternoon at 3:00 p. m. Each church had a float and a large crowd of onlookers.

Most schools will continue until the end of next week, children and parents are advised.

Mrs. Jay Perryman Identifies Mystery Picture for Week

Mrs. Jay Perryman of Route 3, Hamlin, was the first to correctly identify the mystery farm picture featured in last week's issue of The Herald. She will receive a one-year subscription to Your Home Town Paper.

The picture was that of the farm home of Mr. and Mrs. A. G. Smith, southwest of Hamlin.

The 180-acre place was purchased by the Smiths 15 years ago from the Johnson estate, and they have made it their home since that time. The farm, where soil conservation practices have helped to improve the productivity of the place, is devoted to the raising of row crops and wheat. A good herd of livestock is maintained by the Smiths, who raise their own feed, supplemented by protein-rich feeds.

The Smiths were married in 1933. They have two children: Jerry Glenn Smith, 20 years old, who is a junior at Texas Technological College at Lubbock; and Annette Jean Smith, who is a 16-year-old junior at Hamlin High School. They are members of the Hamlin First Baptist Church.

Smith declares that if he has a hobby it is making some of his own farm tools and gadgets with an electric arc welder.

It is easier to form a good character than reform a bad one.

Recent Trip to Japan Told in Slides at Local Rotary Club Luncheon

A colorful show of slides of the island of Japan by Mrs. Carl Murrell and Mrs. Holly Toler highlighted the Wednesday noon lunch of the Hamlin Rotary Club at the Oil Mill Guest House.

The women, just returned from a visit to Japan, showed the slides and commented on the country. They were guests while there of Mrs. Murrell's son, Max, who is aide to General Cuberdale commander of the Central Command in Japan.

Guests included: Brooke Early of Stamford, A. G. Harker of Abilene, Bob McBride of Sweetwater, H. Hicks Allen and C. F. Dugas of Snyder. Lee Johnson of Sweetwater was a guest of Bob McBride and Joe Ray Rosenbaum of Denton was a guest of O. D. Rowland.

RED CROSS MESSAGES.
The American Red Cross telecommunications system handles an average of 110,000 messages a month. Of this number, approximately 95 per cent are welfare communications involving the armed forces.

The greatest reward for a job well done is in having done it.

AN OUTSIDE JOB

The owner of a manufacturing company brought his shop foreman to his office, where he produced a set of blueprints.

"We've got to make 50,000 of these and we've got to make them fast."

The foreman examined the blueprints intently and shook his head. "I'm sorry, Mr. Smith," he said, "but there's no man living who can make a thing like that. We'll have to send out and buy them."

Marrying a woman for her beauty is like buying a home for its paint.

Sometimes the fellow who says he's satisfied with married life really means that he's had all wants of it.

JERRY CARR, young Hamlin soldier who recently returned from a several month stay in the Far East, was telling members and guests at the Lions Club luncheon Tuesday some of his experiences, particularly in Korea, where he was stationed for some time at Seoul.

He was asked what the typical South Korean thought of the average North Korean. Young Carr rolled out several Korean words, which, he said, he didn't know what they meant—but that they didn't sound very complimentary.

The Herald man attending the meeting was asked to print the expression verbatim, but he declined on the theory that the stuff was too filthy for these lily white columns.

THIS IS a tough little problem, but no tougher than the man had to solve when he got to the three toll bridges.

You see, the man had to go to market, and was surprised to find that he had to cross three toll bridges. He did not have enough money to pay the tolls both going and coming, so he arranged with the man at the first bridge that if he would let him pass, on the way home he would give him one-half of the apples he had, plus one-half an apple. He made the same kind of a deal with the men at the other two bridges.

On his return, true to his promise, the man gave to each toll-taker one-half of the apples he had, plus one-half apple. After passing the third bridge, the man had no apples left, and strange to say, he did not have to cut an apple in two. How many apples did the man have when he started home? (Answer at bottom of this column).

TERSE TRUTH in the snappy little rhymes submitted by the traffic safety division of the Texas Department of Public Safety is exemplified by the one printed below:

Eyes on the road,
Mind alert;
Careful driving—
Nobody hurt!

IF WE DON'T brag a little about our print shop, a lot of the home folks might never know about its equipment.

Several days ago three officials of the Pet Milk Company of St. Louis, Missouri, were in The Herald plant negotiating a huge printing contract, and several times they marveled at the equipment in the shop.

"You have some equipment here in Hamlin," one of the officials stated, "that won't be found in many of the big city shops. And you are doing some of the finest circular printing we have seen anywhere—and we are using printers in Dallas, San Antonio and Kansas City."

Incidentally, folks interested in seeing some of our new equipment in operation are invited to visit our plant. Monday and Tuesday are our big circular printing days, when from 25,000 to 40,000 circulars are printed, folded and mailed all over West Texas and into New Mexico.

A HAMLIN DOCTOR was a little grouchy when a patient came to see him. The following conversation is reported to have taken place:

"Have you been to any doctor before you came to see me?" the doctor asked.

"No, sir," replied the meek patient. "I went to a druggist."

"That shows how much sense some people have! And what sort of idiotic advice did he give you?" "He told me to come and see you."

A DEJECTED MAN from Stamford, apparently bent on suicide, was discovered lying across the railroad tracks. The solicitous friend declared:

"You'd better get up and out of there," he warned him, "the train is due by here any minute." The man nodded his head negatively. "I'm committing suicide," he explained.

"So what are you doing with that loaf of bread beside you?" the friend asked.

"You know how lousy the train service is these days," was the answer. "A guy could starve to death waiting!"

Answer to toll bridge problem: The man had seven apples when he started home.

ANOTHER IN THE SERIES of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

Swimming Pool Shaping Up As Steel, Piping Are Placed

Several Hitches In Construction Delay Completion

Shape of the new Hamlin community swimming pool was pretty well molded middle of the week as steel work was being placed prior to actual "shooting" of the concrete mixture.

Several hitches in the work have delayed actual application of the surfacing during the past two weeks, but representatives of Velvin Construction Company of Midland, contractors on the job, declared that the pool still should be ready for use about the first of July.

Network of piping all around the pool, located on the west side of the Hamlin City Park in Southwest Hamlin, to be used in the water filtering process, was in place Tuesday. Also the filtering basin at the south end of the pool was partially erected.

Several tons of steel is being used as reinforcement for the big 30x50x82-foot pool. This steel was being shaped and tied together this week in a slow process of preparation for the concrete emulsion that will be applied under pressure with special nozzles. The Velvin process does not use the conventional forms for pouring the concrete.

Meanwhile, campaigns for further funds were being conducted in the community, according to Jack Russell, fund raising chairman. A benefit show at the high school Tuesday night netted about \$200 for the pool. Advance season tickets continued to be taken by community residents.

ATTEND GRADUATION.

Mr. and Mrs. Clarence C. Bailey of Hamlin went to the graduation of their grandson, Mark Bailey, of Odessa last Friday. He is the son of Mr. and Mrs. Mark Bailey. There were 425 graduates in his class.

Play in Four-Team Double Mountain Teen Age League to Be Started June 13

Play in the recently organized Double Mountain Teen Age Baseball League was scheduled to get underway on June 13 with two games per week for the four-team loop, according to the schedule adopted last Thursday evening of representatives from four area towns meeting at Abilene.

League play is to run for six weeks, running through July 23. The last week in July was designated for make-up games.

The complete schedule follows: First Week—Tuesday, June 14, Hamlin at Rotan, and Albany at Merkel; Friday, June 17, Rotan at Albany, and Merkel at Hamlin.

Second Week—Tuesday, June 21, Merkel at Rotan, and Hamlin

Jim Herridge and Harrell Blackman Take Coach Places

Announcement of the appointment of two assistant coaches for Hamlin Schools were made late Wednesday to The Herald. Truman Nix is head coach.

Jim Herridge and wife will move to Hamlin around July 20. He will be assistant coach in football, basketball and track. He lettered three years at Austin High and in track two years also. Lettered two years at guard and center positions on Navy service team; three years at center at Southwest State with an honorable mention as All-Conference center during his senior year and participated in both track and basketball.

Experience includes one year at Yoakum High School and two at Woodboro High School.

He has been employed at the Stanoline Oil Company office at Andrews for the past 18 months.

Rainfall gauged Wednesday night at the City Pump Station totaled .59 of an inch, according to a report made by Bill Rountree, water superintendent to The Herald at press time Thursday.

New Ambulance For Funeral Home Arrives

Sleek and serviceable looking is the spanking new British tan colored Ford ambulance that was received last week-end by Hamlin Funeral Home.

Equipped with modern facilities of several sorts, the new ambulance is the last word in speedy, comfortable transportation for sick and accident victims, declares Frank Herrington, manager.

MOTHER FIGHTS FATAL DISEASE—Mrs. George De Mohrenschildt and daughter, Nayda, 1½ years old, watch 2½-year-old Sergei playing with sea shells on the floor of their home in Dallas. Both of the children have a fatal disease called Mucoviscidosis, which involves the lungs and pancreas, mainly. Mrs. Mohrenschildt, who is a medical doctor, believe that with the daily help of antibiotics and hog pancreas extract she can keep her two children alive for five or six years or more. The children, above average in intelligence, lead almost normal lives and look healthy as any kind on the block.

Seven Hamlin Burglaries Solved by Arrest in Rotan

Young Methodist Pastors Involved in Hamlin Transfers

Two young Methodist ministers are involved in changes at the Faith Methodist Church in Hamlin.

Rev. Orion N. Lewis, who has been pastor here for almost three years, was transferred to the Southwest Texas Conference, and was assigned to the Cokesbury Methodist Church in South San Antonio. The church has a membership of 167 members, says Rev. Lewis. The church is in a new section of the Alamo City, and a building program is contemplated by the congregation.

The Lewises planned to leave Hamlin for San Antonio Wednesday. They have three children, Judy Marie, eight years old; Ernie Lee, six; and Glenda Faye, two.

Coming from the Lubbock Circuit to the Faith Church is Rev. John W. Syrios. He has been pastoring churches at Smyer and Grand Chapel out of Lubbock. He will attend McMurry College at Abilene while holding the Hamlin pastorate, where he will be a sophomore student. He is a graduate of a high school in Chicago, Illinois.

The Syrios planned to move to Hamlin Thursday. They have two children, a girl, Deborah Jean, four years old; and a boy, J. W. Jr., 22 months old.

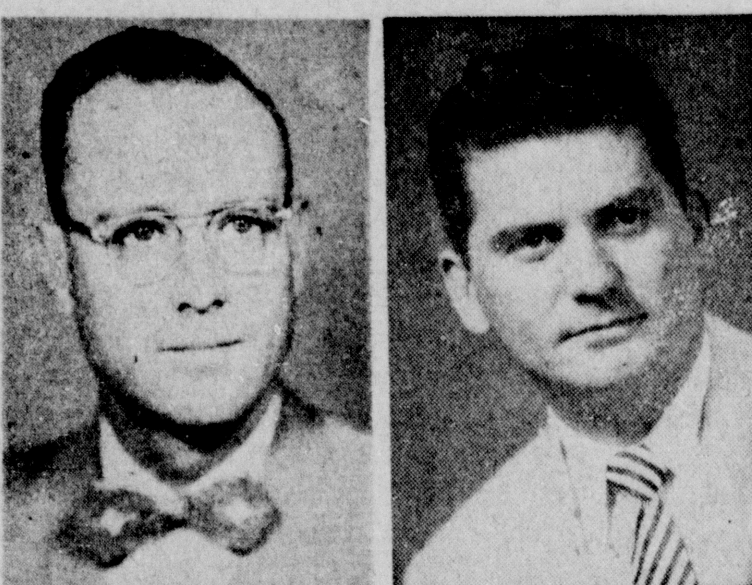

Rev. Donald Wellman To Be In Pulpit Sunday At Nazarene Church

Rev. Donald Wellman, new pastor of the Hamlin Church of the Nazarene, will be in the pulpit at both services Sunday, officials of the church announced this week.

The young minister, who has been attending college, arrived in Hamlin first of this week, and he and his family are occupying the parsonage on Northwest Fourth Street.

Rev. Wellman succeeds Rev. William C. Emberton, who resigned effective April 10 to take the pastorate of the Church of the Nazarene in Lamesa.

All members of the church are urged by officials to attend the services Sunday to welcome the new minister. Friends, of course, are always welcome.

OLD-TIMER AND NEWCOMER—The two Methodist preachers above were involved in appointments to the two Hamlin Methodist churches at the closing sessions of the annual Northwest Texas Conference Sunday at Lubbock. Rev. Darris Egger (left) was named as pastor of the First Methodist Church for a second year. Rev. John W. Syrios was named pastor of Faith Methodist Church to succeed Rev. Orion N. Lewis, who was given a San Antonio pastorate. Rev. Syrios has been pastoring two churches out of the Lubbock Circuit.

Methodist Pastors In Section Shifted

Methodist churches at Hamlin and nearby towns saw several shifts in pastors at the concluding sessions of the Northwest Texas Conference at Lubbock Sunday evening.

Rev. Darris Egger, completing his first year of work with the First Methodist Church, was returned for another year.

Rev. Orion N. Lewis, after almost three years at Faith Methodist Church in Hamlin, has been transferred to the Southwest Texas Conference, where he was assigned to the Cokesbury Methodist Church in South San Antonio.

Replacing Lewis at Faith Church is Rev. John W. Syrios, who has been pastor of the Lubbock Circuit, ministering to the churches at Smyer and Grand Chapel.

Serving the Sagerton-Tuxedo church will be Guy McLean. Delton Fisher was given the Sylvestre charge.

Rev. Gene Louder, who has had the McCaulley circuit for two years, was assigned to the Weinert Church in Haskell County.

Rev. S. Duane Bruce, who held the First Methodist Church pastorate at Hamlin previous to Rev. Egger, was reassigned to the Phillips church in Pampa District.

New Night Depository Installed F. & M. Bank

Installation of a night depository system was announced this week by officials of the Farmers & Merchants National Bank in Hamlin. It was due to be put into regular operation this week-end.

Provisions for handling regular bank transactions by patrons after regular banking hours and on holidays are afforded by the new system. A small vault with outside opening provided by special keys will permit patrons to make deposits at any time.

Bank officials point out that a big advantage of the new arrangement will preclude the keeping of large sums of money in a store at the close of a day of heavy transactions.

Two Hamlin Draftes Called for Induction

Two Hamlin young men were among the five draftes called by the Anson draft board, serving Jones, Shackelford and Haskell Counties, to report for induction in the armed service on June 9.

They were W. T. Stapler, son of Mr. and Mrs. W. T. Stapler Sr. of Hamlin, who has been a student at McMurry College in Abilene; and Billy Birch Sutherland, son of Mr. and Mrs. L. M. Sutherland of the Shell Pipe Line camp north of Hamlin.

Most of Stolen Goods Recovered From Man's Home

Solutions of burglaries in the Hamlin-Anson-Rotan-Roby region were fast being cleared up this week with the arrest Saturday of John Linsky, 34-year-old service station operator in Rotan.

List of five burglaries perpetrated in Hamlin during the past three years had grown to seven Wednesday as owners of two other places of business went to Rotan and Roby to identify loot taken by the young man.

Fisher and Jones County officers, had cooperated with Texas Rangers in tracking down the burglar, who had been under suspicion even before he left Hamlin two years ago to make his home between Roby and Rotan. He was arrested by Fisher County Sheriff Bus Rollins and Deputy Bill Ashley of Roby. Also investigating the burglaries were Rotan Police Chief B. H. Connally, Texas Ranger Jim Paulk of Abilene and Police Chief J. H. Foster of Hamlin.

The arrest came after Linsky was suspected of burglarizing the Rotan Piggly Wiggly Store. He really was given away by footprints from a new pair of shoes found on the floor at the store and identical ones found on his service station floor.

More than \$4,000 worth of merchandise was found at his home and the service station. He admitted committing eight burglaries at first, "just to put something over on the law." The burglaries dated back to 1952.

Linsky was employed as a mechanic in Hamlin in 1952, when the Hamlin burglaries took place. Officers said the man told them he had burglarized five firms in Hamlin and three in Rotan. Later he confessed two more burglaries at Hamlin and two at Anson.

Hamlin FFA Delegates Attend Odessa Meet

Two members of the Hamlin High School chapter of Future Farmers of America and one of their leaders, Harold V. Eades, left early Wednesday for Odessa, where they were to attend annual conferences of the Odessa Area FFA Wednesday, Thursday and Friday.

Boys making the trip were Virgil Wilson and Ronny Parker, who were serving as alternates for the delegates, Clifford Green and Kenneth Parker, who could not attend.

About 150 FFA boys and leaders of the West Texas region were expected to attend the sessions.

"I Was Goin' Huntin'," Declares Tyke Who Created Anxiety As She Strayed

Excitement over the safety of Jeanie, three and one-half year-old toddling daughter of Mr. and Mrs. Cameron Owens, Tuesday afternoon was short-lived, but nonetheless heart-rending for the young parents.

When the youngster was missed by her mother Tuesday afternoon about 5:00 o'clock, she called the father, and after a fruitless search of the premises of the place, two miles southeast of town, failed to locate the little girl, assistance was asked.

Hamlin officers were notified and within a few minutes members of the Volunteer Fire Department and others were on the job searching for the tot.

After about 15 minutes the tyke was sighted about two miles west of her home, heading for the Celotex plant pasture.

She had off her shoes, and was wagging them with her, said firemen who brought her safely to her home and her anxious parents.

"I was goin' huntin'," she announced to her distracted parents, without realizing the concern she had caused in the entire community.

Mr. and Mrs. Owens are living on the place of his mother, Mrs. John Owens on the old Celotex road.

Dr. Joe V. Weir Gets Corps Commandership

Word has been received in Hamlin that Dr. Joe V. Weir, first lieutenant in the U. S. Army Dental Corps, has been made company commander of the 570th Medical Detachment, and recently has been appointed chief of oral surgery in the dental dispensary at Keeserslautern, Germany.

Young Weir is the son of Dr. and Mrs. W. C. Weir of Hamlin.

CIVIC SPIRIT WILL PUSH HAMLIN FORWARD

When a group of Hamlin area citizens interested in the forward-moving of the community, along with an out-of-town Chamber of Commerce official, met in the Primary School building the other evening to discuss the problems and opportunities that exist, it was refreshing to hear from-the-heart expressions from attendants.

Some of the local people were surprised to hear the out-of-towner point to the accomplishments of the past two years in this community, and to point with unusual enthusiasm to the challenges that face our citizenry.

When the subject was broached, "What has the Hamlin Chamber of Commerce done the past two years?" most of the home-town folks were scratching their heads when the representative from the West Texas Chamber of Commerce recalled the CC clinic that was conducted two years ago to map a program of work.

"Now let's see," declared the visitor, "what were the three projects that headed your list of work-to-do? They were street paving, recreational facilities (swimming pool) and town modernization." Then doing a little recapping, the visitor reminded the mass meeting attendants that:

"You have already paved more than 30 blocks of paving in Hamlin, and more will

soon be paved; you have already started on a beautiful swimming pool and made improvements at your City Park that will be a credit to any city the size of Hamlin; a dozen or more of your business houses have been given face-liftings of new fronts and remodeled interiors that impress a visitor to your town.

"Who did these things?" the visitor asked. "The Chamber of Commerce did not actually do them, but it solidified the thinking of your people and provided the necessary group action. Is your Chamber of Commerce worth maintaining and worth supporting? You know the answer—if you and your fellow citizens want to see your little city continue to grow and prosper."

Hamlin, from the outsider's standpoint, he declared is the one little city in all Central West Texas that has a bright future, based on an economy not matched many places in the Southwest—with splendid crop prospects, oil and gas activity, natural resources in gypsum, sand and gravel, oil mill and compress, two railroads and other facilities that should assure the community's growth and prosperity.

A revamping of the Hamlin Chamber of Commerce program and budget is underway, and a forward-looking, energetic, community-loyal people will support the plan magnificently—just you wait and see!

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

TWENTY YEARS AGO.

From the issue of The Hamlin Herald dated May 31, 1935, the following news items of 20 years ago in the community are reproduced:

Annie Laura Johnson, teacher in the schools at Fort Stockton, was home last week-end visiting her parents, Mr. and Mrs. W. F. Johnson.

TEN YEARS AGO.

The following items of interest in the community 10 years ago are reprinted from the issue of The Hamlin Herald dated May 25, 1945:

Starr Inzer announced this week the sale of the Inzer Pharmacy to John Ed Day and John Oates.

Sixty-one seniors are scheduled to get diplomas in graduation exercises at Hamlin High School Monday evening.

About 500 bales of cotton were destroyed in a fire that destroyed a portion of a warehouse at the Hamlin Compress Friday afternoon.

First carload of 1945 wheat was shipped out of Hamlin Wednesday by Jack Harden. The wheat came from the farms of Fred Young, W. L. Boyd, W. B. Boyd, Henry Flemmons and R. M. Young.

Lieutenant Robert L. Fowler, who was reported missing in action over Germany in December, has been liberated from a German prison camp, according to a release from the American Red Cross. He is a son of Dr. and Mrs. Paul Fowler of Hamlin.

Mrs. Earl Smith has been advised that her husband, Staff Sergeant Earl Smith, who has been a prisoner-of-war in Germany after being shot down in a bombing mission, has been released.

FIVE YEARS AGO.

News items of interest in the Hamlin community five years ago included the following, taken from the issue of The Hamlin Herald dated May 26, 1950:

Wheat harvest has started in the Hamlin territory, and indications are that the yields will be larger than at first anticipated. Several farmers have reported yields up to 25 bushels per acre.

Some 2,000 new seats will be provided through construction of new steel stands scheduled to get underway soon at the Pied Piper stadium by T. E. Shelburne & Son, contractors.

Good results have been reported in the annual city-wide clean-up campaign being sponsored for Hamlin by the local post of Veterans of Foreign Wars.

Richard Dennis Davis Jr., four-year-old son of Mr. and Mrs. R. D. David, died Sunday from electrical shock. The child, playing under the trailer house of the couple in North Hamlin, came in contact with electric wires leading to the trailer.

Interest in county politics is increasing with the approach of the July primary.

ONE YEAR AGO.

Among news items of interest in the Hamlin community a year ago were the following, reprinted from the issue of The Hamlin Herald dated May 28, 1954:

Hamlin's three lakes caught more water over the week-end as showers measuring 1.63 inches provided some run-off. The rainfall brought the year's total to 9.34 inches, according to the government rain gauge at the city pump station.

Cotton farmers of the Hamlin section are promised small increases in cotton acreages under plans being pushed by Congressman Omar Burrell in Washington, it was announced this week.

A Test Drive will prove Ford's Trigger-Torque power lives up to the promise of Ford's Thunderbird styling

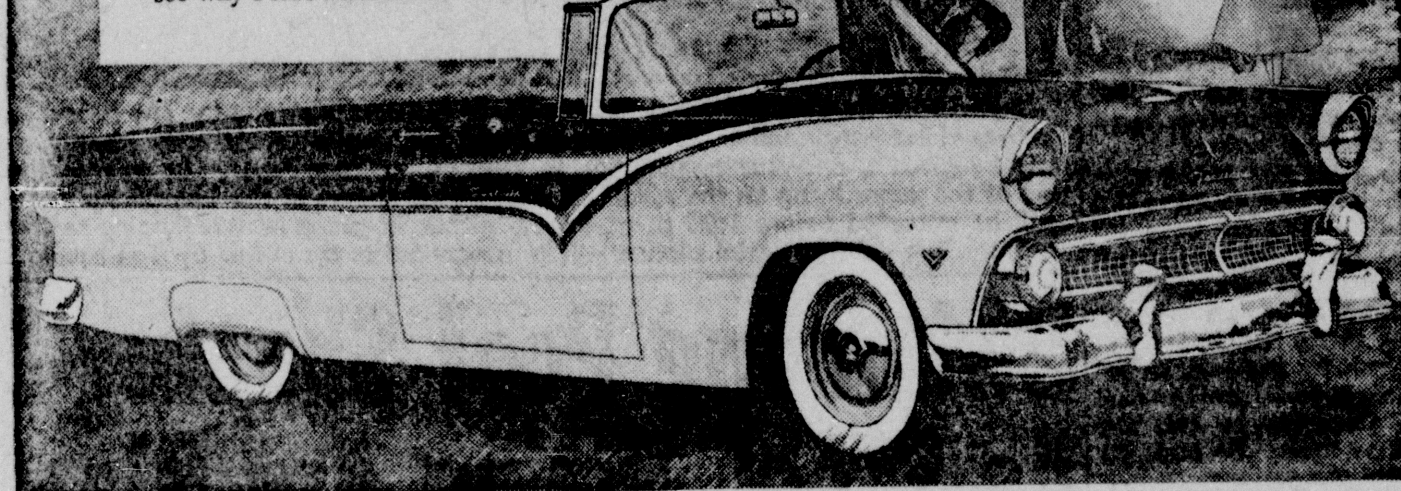

Ford used the long, low Thunderbird as an inspiration for the styling of its 16 models for 1955.

Ford also captured a lot of the Thunderbird's "Go" ... a lot of its easy handling ... and a lot of its interior beauty.

You'll find Ford's Trigger-Torque power gives you action right when you want it. You'll feel safer—pass faster.

You'll find Ford's Ball-Joint Front Suspension helps Ford hold the road like a coat of paint ... and a new front suspension mounting gives Ford a silky-smooth Angle-Poised Ride.

Then, Ford interiors, like those of the Thunderbird, are rich, colorful and completely new! Come in and see why Ford's worth more.

He Is Tomorrow

He may be nine to fifteen years old. He is made up of the following ingredients: Noise, energy, imagination, curiosity, eagerness and hunger. He is either "the cute little fellow down the street," "that spoiled imp next door" or "my son," depending on who you are. He is something to keep fed, clothed, healthy and out of trouble.

But he is something else, too. He is tomorrow. He is the future we are fighting for. He is part of the world's most important generation. His generation must keep the peace. His generation will determine whether it was worth doing. He is one of the most important persons in history.

In Europe, which is closer home, we have had some experience. We have extended aid. We have assisted. We have lent. How much? Curiously, the United States government, with its vast information facilities, does not give its taxpayers an understandable report on these matters.

These billions have done some good. They have helped keep some parts of the world out of Communist hands. They have repaired a lot of war damage which was not our fault. They have provided some defense facilities for us abroad. They have helped some poor people. They have propped up weak socialistic regimes, strengthened tyrannies and enriched the already rich.

The United States cannot afford less than the best in defense. Asia has become important to defense, and dollars are cheaper than blood. But neither can Americans afford an indefinite and endless drain from guesswork commitments and hopeful give-aways. We are entitled to our money's worth. From President Eisenhower and from all who support this new gift program, our taxpayers have the right to demand persuasive evidence of its effectiveness. The evidence from Europe was not too convincing.—Farm Journal Magazine.

Father's Day to Get Attention of Beef Council, Says Herald's Market Reporter

Fort Worth.—For many years someone now and then expressed regret that Father's Day did not get the attention it deserved as a national holiday. Some cynics have gone so far as to say that it seemed as if about the only time Dad occupied the center of the stage was on pay day or when the bills came in each month.

Not so any more! The Beef Council, making a strong bid for Dad and also to promote beef, says: "There is one sure way of pleasing Dad at meal-time on Father's Day. Serve him a man's dinner, long on beef and short on budget."

In rejoinder the Poultry and Egg National Board calls upon the family to "give Dad the special occasion dish that is America's favorite and a favorite of the budget-wise housewife — serve spring chicken broiled or fried on Father's Day."

All it took for the Old Man to get some attention was two of the principal means of the country to meet in a battle for higher consumption of their product. Looks like Dad is at least going to be remembered at the dinner table this time!

Larger than usual numbers of cattle and calves (7,300 head) appeared at Fort Worth Monday. This was above expectations in view of the long Memorial Day holiday week-end. Fed steers and yearlings were 50 cents or more lower. Cows and bulls sold steady with very strong shippers and small packer demand helping the cow prices. Slaughter calves were 50 cents or more lower, the plain and medium kind off most. Stocker and feeder cattle and calves were fully steady.

Prices included: Good and choice fed steers and yearlings, \$18 to \$22; common, plain and medium butcher cattle, \$12 to \$18; fat cows, \$10.50 to \$14; canners and cutters, \$7 to \$10.50; bulls, \$10 to \$14.50; good and choice slaughter calves, \$16 to \$20.50; common and medium, \$12 to \$15.50; and culls, \$9 to \$12. Stocker steer calves of good and choice kinds brought \$18 to \$22; steer yearlings, \$21 down; and two-year-old feeders, \$20.50 down; replace cows, \$8 to \$12.50.

The U. S. Department of Agriculture market news office at Fort Worth reported late last week that effective parity at present is \$21.30. Prices are 77 per cent of parity. Calves are selling at 74 per cent of parity. Farmers currently get an average of \$17.20 with parity figured at \$23.30. Hogs at 77 per cent of parity show a current return of \$16.40 against parity of \$21.30. Lambs at 78 per cent of parity show a return of \$18.20 against parity of \$23.30. Wool shows 79 per cent return, with prices averaged at 46.9 cents against effective parity of \$23.30.

Boy Scout Leaders to Meet at Stamford Cafe

Several Hamlin Scouters are expected to be among those present this (Friday) evening at 7:00 o'clock at a combined meeting of all neighborhood commissioners and district operating committee members of the Northern District, according to Rae Eastland of Stamford, district chairman, and Joe Breed, district commissioner at Anson.

The district business meeting, embracing representatives from Shackelford, Jones and Haskell Counties, will be a dinner meeting at Nat's Cafe in Stamford.

The agenda includes Canada canoe trip, summer camp, July swim meet, new unit organization, advancement factors, first aid training, and other business.

Trade was active and prices fully steady to strong in the sheep barns at Fort Worth Monday.

Shipper and order buyer demand was strong, and feeder classes were getting more active attention. Breeding age ewes were again in good demand.

Good and choice spring lambs drew \$19 to \$22; and cull, common and medium springers drew \$10 to \$18. Feeder type spring lambs were quotable at \$16 down. Old crop shorn fat lambs of good and choice grades sold from \$14 to \$16; while cull, common and medium clipped lambs drew \$10 to \$14. Feeder shorn lambs sold from \$11 to \$13. Old wethers drew \$6 to \$10, and slaughter ewes \$4 to \$5, a few higher. Breeding ewes drew \$6 to \$12; old bucks sold around \$3 to \$4.

The American Meat Institute takes note of the big movement of hogs to market at this season which is contrary to the usual marketing pattern. This out-of-season heavy movement has held prices down in recent weeks. The institute reports currently pork prices are from 13 to 31 per cent under this time a year ago.

Butcher hogs opened this week with a 25 to 50 cents gain at Fort Worth Monday. Top hogs sold at

Seven from County To Attend 4-H Club Round-Up at A&M

Five Jones County 4-H Club boys and girls and their two sponsors, the county agents, will be among the some 2,000 delegates and adults from over the state who will converge on College Station June 8, 9 and 10 for the annual 4-H Round-Up.

Delegates to the 1955 meeting will have a choice of 17 short courses in various subject matter fields, and will be further acquainted with the facilities of Texas A. & M. College.

State winners also will be determined in 18 judging and team demonstration contests, ranging from field crops to dressmaking.

Delegates to the Round-Up are chosen on the basis of their accomplishments and leadership in 4-H Club work. Two boys and two girls from each county may attend, an adult leader either a local leader or extension agent accompanying each group.

The popular chuck wagon supper and share-the-fun festival are again among attractions which will keynote the three-day meeting.

All 4-H activities, including the Round-Up, are under the supervision of the Texas Agricultural Extension Service.

Those who are going from Jones County are Beth Adkins, Nancy Hunter, Delbert Wilson, John Mitchell and Hunter Hawkins. Beth is the District III first place winner in the public speaking contest and will enter the state competition on June 8. Nancy is a delegate from Jones County. Delbert, Hunter and John are the District III first place team winners of the entomology team.

These boys and girls will leave early Tuesday morning, June 7, with the Jones County extension agents, Jimmie Lou Waincott and Bill Lehmborg.

BURGLARIES

(concluded from page one)
Hamlin, recovered most of the \$700 in merchandise taken from that firm in a burglary in June, 1953.

Carl Murrell of Murrell Chevrolet Company at Hamlin, identified some of the goods taken from there in November, 1953, including a projector. Murrell also reported the loss of considerable cash.

Jerry Waggoner of Waggoner Drug of Hamlin recovered a portion of the \$1,200 worth of goods taken from that store.

Mrs. S. D. McMahon, owner of McMahon Jewelry Store at Hamlin, got back some of the \$1,000 worth of articles taken from the store in December, 1952.

C. L. Howard of Howard City Drug in Hamlin, identified some of the merchandise which had been taken from his store.

Gene Prewitt of Prewitt Motors recovered about \$200 in tools and tires taken from his place of business.

Hill Service Station was another place which Linsky admitted burglarizing. He said he took about \$10 in cash and some shotgun shells.

Linsky was charged in the three Rotan burglaries at Roby Monday. He was to face arraignment at Anson for the Hamlin burglaries later, Sheriff Dave Reeves of Anson said this week.

Linsky's wife was employed at the Southwestern Bell Telephone Company office in Hamlin when they lived here. They have two children.

Linsky is reported to have served two prison sentences for burglary and robbery in New York State before coming to West Texas. Officers were aware of his background, and he had been under suspicion for several months, but "we just never could pin the crimes on him," Police Chief J. H. Foster told The Herald Wednesday.

MANY SERVE RED CROSS.

Last year, 1,575,000 volunteers gave service to the American Red Cross, of which many thousands served on a full-time basis.

\$18.50, and less desirable grades \$17 to \$18.25. Sows drew \$11 to \$14.50.

Four Methodist Youths Go to Church Camp

Four members of the Methodist Youth Fellowship organization of the First Methodist Church left Monday for a week's camp at Ceta Canyon, near Canyon. The theme for the camp this year is "Know Your Job."

Making the trip were Sara Kay Pomby, Judy Harden, Bobby Beale and Melvin Hames.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

Patsy Ruth Parker Becomes Bride of William Paul Woods in Home Rites

Patsy Ruth Parker, daughter of Mr. and Mrs. Ben Y. Parker of Hamlin, became the bride of William Paul Woods Jr. of Abilene in a double ring ceremony Friday evening at 6:00 o'clock in the Parker home, 551 Northwest Avenue A. The bridegroom is the son of Mr. and Mrs. William Paul Woods of Abilene.

Vows were read before a fireplace and big mirror which were flanked on either side by burning tapers. Baskets of gladiolas also complemented the scene. Performing the rites was Rev. Houston Walker, pastor of the First Baptist Church.

Preceding the rituals Mrs. Clyde Lewis sang "Because" and "O, Promise Me," accompanied by Mrs. L. B. Baker.

Maid-of-honor was Bobbie Parker of Fort Hood, cousin of the bride. She wore a dress of pink organza, and the ballerina skirt

was pink net over pink satin. She wore pink shoes and a white gardenia corsage.

Best man was Fred M. Newman of Abilene. Clarence Parker, brother of the bride, and Rodney Spaulding were candle-lighters.

Given in marriage by her father, the bride wore a white lace ballerina length princess style dress. Her shoulder length veil fell from a white lace effect hat. Her shoes were white. She wore an orchid corsage and carried a white Bible.

Following the wedding rites, a reception was held in the Parker home. Mrs. Fred Newman of Abilene served punch. Mrs. Don McBride of Abilene served cake, and Miss Parker registered the guests.

For a wedding trip to Tampico, Mexico, the bride chose a princess style blue linen dress with a matching short jacket. Her accessories were pink.

The bride had attended Hamlin High School, and has been employed by Miami Operating Company in Abilene. Young Woods is a graduate of Abilene High School, and is associated with his father in the real estate business in Abilene.

After their return from their wedding trip on June 5, the newlyweds will be at home at 1410 Vine Street in Abilene.

Rose Marie Brady to Wed San Angelo Man

Mrs. T. T. Brady is announcing the engagement and approaching marriage of her daughter, Rose Marie, to James Hardy Turnbull, son of Mr. and Mrs. J. E. Turnbull of San Angelo.

The wedding will take place in the First Methodist Church in Hamlin on June 26.

A graduate of McMurtry College, Miss Brady received her bachelor of arts degree May 23. Turnbull has just recently returned after serving two years in the Army, 17 months of which he served in Germany.

Stewart of Hamlin; Mr. and Mrs. Aubrey and Bailey of Vernon; Mr. and Mrs. Dick Marsden Sr. of Brady; Mr. and Mrs. Carl Hanson of Lampasas; Mr. and Mrs. T. H. Marsden and children of Brady; J. F. Bailey of Fort Worth; Mr. and Mrs. C. E. Bailey of Fort Stockton; Mr. and Mrs. A. T. Powell and Tommy of Hereford; Virgil L. Sowell of Roswell, New Mexico; Mrs. Ellen Higgs of Anson; Mr. and Mrs. C. E. Roberts of Hamlin; Mr. and Mrs. E. L. Baker and children of Peacock;

Dick Bailey of Blanket; Mrs. Laura Baker of Comanche; Mrs. Joe Stewart and family of Hamlin; Dr. and Mrs. C. J. Bailey, Bobby, Billy and Betty of Stephenville; Mr. and Mrs. R. B. Boiles and Billy Wayne of Hamlin; Mrs. L. V. Bolls of Hamlin; Mr. and Mrs. J. R. Bailey of Hamilton; Mr. and Mrs. George W. Bailey and Wanda of Big Spring; Mrs. A. D. Bailey of Albany; Mr. and Mrs. Leon Bailey and Linda Ann of Albany; Mr. and Mrs. R. H. Sinclair of Abilene; and Mr. and Mrs. John Bailey of Lamesa.

The group voted to hold their family reunion the last Sunday in May at Brady.

Hamlin Homemaking Girls, Sponsors and Mothers at Camp

Fifteen Hamlin girls, three mothers and two sponsors are attending a two-day camp at the Presbyterian Encampment Place at Buffalo Gap yesterday and today (Friday). The group were one of eight area chapters of the Future Homemakers of America attending.

Schools represented were: Aspermont, Seymour, Rotan, Albany, McCaulley, Girard, Avoca, Stamford and Hamlin.

Girls making the trip included: Doris Forbes, Elizabeth Norton, Lou Borden, Renee Moore, Benita Smith, Donna Kidd, Betti Teague, Cecilia Albritton, Mary Ann Wilbanks, Gayle Bishop, Jean Powell, Reba Roland, and Lusara Dean. Mothers included: Mrs. Joe Norton, Mrs. W. O. Wilbanks, and Mrs. Cecil Brown. Mrs. Joe Wayne Carter and Mrs. James E. Simmons are sponsors.

MARRIED FRIDAY EVENING at 6:00 p. m. in the family residence was Patsy Ruth Parker (above) to Paul Woods Jr. of Abilene in a double ring ceremony. She is the daughter of Mr. and Mrs. Ben Y. Parker. The couple left on a wedding trip to Tampico, Mexico and will reside at 1410 Vine Street, Abilene upon returning home.

Gift Party Given at McCaulley Home Ec Room for Beth Jones

A pre-nuptial gift party honoring Beth Jones, bride-elect of W. A. Hawkins, was given Friday afternoon in the new home economics room at McCaulley High School.

Mrs. Luther Rector acted as hostess, and assisting hostesses were Mrs. Luther Maberry, Mrs. Levi McCollum, Mrs. Robert Gartman, Mrs. Red Myers, Mrs. Frank Houghton and Mrs. George Maberry.

Miss Jones wore a trousseau frock of shantung weave cotton with molded bodice and full skirt. Her jewelry was summer white, and her other accessories were black patent.

Mrs. Levi McCollum presided at the tea table which was covered with a white damask cloth. Mrs. Houghton and Mrs. Gartman helped with the serving. Cut gar-

den flowers decorated the table and the punch was served from a crystal service.

The honoree received part of her gifts from a silver covered wishing well, entwined with ivy. Pictures were made of the bride-elect and the house party.

Forty-eight guests registered. Mrs. George Maberry registered guests. Good-byes were said by Mrs. Rector.

Friendship Club Elects Mrs. Fred Young at Convention Delegate

Mrs. Fred Young was elected club delegate to the Texas State Home Demonstration Club convention in June, when members of the Friendship Home Demonstration Club met Friday afternoon at the oil mill guest house in regular session. Time of meeting for the club was changed from 2:00 to 3:00 p. m.

Mmes. Jap Kemp and Ray Johnson gave an interesting and informative demonstration on using ground meat. The group was told that ready-ground hamburger is the pet of most menu makers—and a thrifty one that almost everyone likes.

"Remember that if you are getting hamburger ground to order beef chuck cuts makes tenderer, more flavorful and juicier ground beef than other cuts. Happily, chuck is more economical. If you have round cuts ground, have two ounces of suet ground with each pound of lean meat.

"We cannot urge you too strongly to handle hamburger as little as possible—the less handling it gets, the juicier and more tender it will be. So pat those patties loosely into shape and do not pack them down with your spatula while they cook.

"When mixing meat loaf, toss it together lightly, using a two-tined fork."

Mrs. Kemp demonstrated the preparation of tallarina, and Mrs. Johnson demonstrated hamburger patties. Mrs. W. D. Carlton and Mrs. Jack Collins served cookies and cold drinks.

Elmer Joiners Hosts At Dinner for Friends And Relatives Sunday

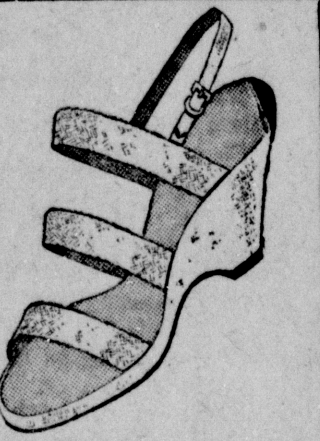

Hosts Sunday for a number of relatives and friends for an "all-day dinner" and day of visiting were Mr. and Mrs. Elmer Joiner who live east of town.

Honored guests were Mr. and Mrs. James E. Hatch and sons, Mike and David, who were visiting from Carlsbad, New Mexico. Other visitors included the following: Mr. and Mrs. W. W. Goodman and family, Mr. and Mrs. J. E. McCoy Jr., Kay and Larry; Mr. and Mrs. Buck Joiner, Charles and Jerry; Mr. and Mrs. Jimmy Joiner and Jeannine; Fred Vaughn all of Hamlin. Mr. and Mrs. Archie Hogan of Spur; Mr. and Mrs. J. E. McCoy Sr., Kenneth and Sue of Sweetwater.

Mrs. Hatch is the former Helen Stewart, niece of Mrs. Joiner and Mrs. Goodwin.

Banking After Hours

We Have Just Installed a

NIGHT DEPOSITORY

At the North Side of the Lobby Entrance at Bank

Keeping pace with modern banking procedures, your Farmers & Merchants National Bank takes pride in announcing the inauguration of a new Night Depository Service for our banking patrons. With this new service, banking patrons may do many of their regular banking transactions after regular banking hours, without the necessity of a teller or other bank official.

For example, a patron may make out his deposit at the close of a business day in the usual manner, placing his checks and cash in a special bank sack, and place them in our convenient Night Depository in the bank foyer. The following morning the deposit will be handled through regular channels, and the bag may be picked up.

Out-of-town customers or others may come in at any time after hours, with deposits or other transactions for handling through the system.

Under this plan huge sums of money, for example, will not have to be kept in a store or home overnight or over holidays. May we tell you more about it at our offices?

HER AIM WAS BAD.

Jimmy's mother, a great believer in the "be a little gentleman—and don't fight" method of raising her child, was unsuccessfully trying to instill this noble outlook into her pugnacious young son.

"Jimmy, when that naughty boy threw stones at you, why didn't you come and tell me instead of throwing them back at him?"

"What good would that do, mom?" snorted Jimmy. "You can't hit the side of a barn."

Organization Formed For Double Mountain Teen Age Ball League

Melvin Lindsey of Albany was elected president of the Double Mountain Teen Age Baseball League when representatives of four area towns met last Thursday evening at the Athletic Supply in Abilene for the organization meeting.

Other officers named were: Al Finch of Rotan, vice president; J. B. May of Hamlin, secretary-treasurer; and Gordon Pursley of Merkel, member of the board of directors with the other officials.

Local managers for the teams were named as Melvin Lindsey of Albany, R. S. Ragdale of Rotan, W. D. (Bill) Adair of Hamlin, and Gordon Pursley of Merkel.

A schedule of six weeks of games between the four teams was adopted, play to begin on June 14. The complete double round-robin schedule is found in another column of today's Herald.

Seven Methodists from Hamlin Among 1,000 At Annual Conference

Seven Methodists from Hamlin were among the more than 1,000 ministers and laymen of the Northwest Texas Methodist Conference who were in attendance during the sessions of the annual conference which were held in the First Methodist Church at Lubbock from last Wednesday through Sunday evening.

Major items of business included the approval of an \$800,000 building program for McMurry College at Abilene, and the election of delegates to the General and South Central Jurisdictional Conferences to be held in 1956 at Minneapolis, Minnesota, and New Orleans, Louisiana.

Those registering from Hamlin were Rev. Darris L. Egger, Rev. and Mrs. Orion N. Lewis, John C. Bryant, Mrs. J. B. Bybee, L. B. Smallwood and Mrs. B. F. Ford.

Hamlin Boy Scouts To Attend District Camp Next Week

A group of Hamlin Boy Scouts will be among the scores of area youths who will be attending the annual camps at Camp Tonkawa, beginning next week, according to Ray Davis, district Scout executive.

Scouts and Explorers planning to attend the camp are: Hamlin Lions Club troop, June 5 to 12, with Doyle Brinegar in charge; Albany Christian Church troop, June 5 to 12, with camp leaders Richard Porter and George Bos-nack; Stamford Methodist Church troop, June 5 to 12, with camp leader Charlie Turbeville; Anson Methodist Church troop, June 5 to 12, with camp leader Ernest Pittman; Anson Lions Club troop, June 12 to 15, with camp leader Tommy Beene; Haskell Lions Club troop, June 19 to 25, with camp leader Austin Coburn.

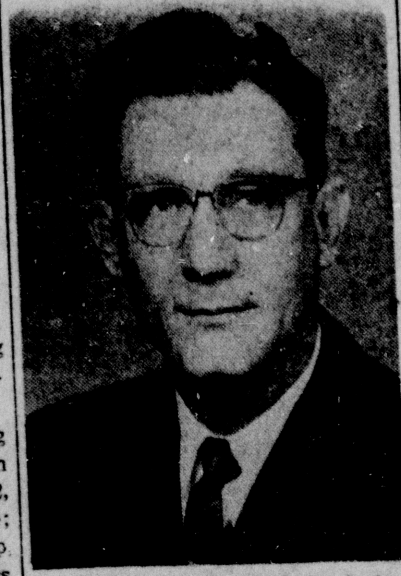

Haskell Methodist Church troop, June 26 to July 2; Paint Creek troop, June 26 to July 2, with camp leader Gene Overton; Avoca Parent-Teacher Association troop, June also; Sagerton Lutheran Church troop; Hawley Baptist Church troop; Rule Chamber of Commerce troop; Undercamp leader Malcolm Hertenberger; Rochester Rotary Club Troop with camp leader Joe Fletcher.

Camp Tonkawa is the camp of the Chisholm Trail Council, Boy Scouts of America. It is located at Buffalo Gap next to Abilene State Park. The program is planned and operated to help the Scout leader and the junior leaders bring to the Scouts a real, true Scouting experience 24 hours a day, declares Davis. The camp has one of the finest swimming pools in the Southwest. A trained life guard and instructor are provided to train the Scouts in water safety, swimming and life saving. Nearly every non-swimmer is taught to swim while he is at camp.

The camp rifle range is affiliated with National Rifle Association and is operated so as to teach firearms safety and skill in marksmanship. An archery range is provided also. The Scout will have a chance to complete his advancement requirements and many merit badges while at camp.

The camp is governed by one rule, and that is the Scout oath and law, which becomes a part of the every-day life of the Scout, concludes Davis.

You can never overcome the universal material revolution by conceding to it materially; you can only overcome it by stressing the moral, intellectual and spiritual side of your existence.—Dr. Charles Malik.

DR. W. C. HAMBRICK, who practices optometry in Hamlin one day a week, with regular offices in Abilene, was recently elected president of the West Central Texas Optometric Society. He and Mrs. Hambrick have three children, Francis, 8, Chuck, 6, and Roger, 2.

Funeral Rites for Mrs. Louisa Busby Conducted Monday

Funeral services for Mrs. Louisa Ellen Busby, 80-year-old resident of 29 Southwest Avenue E, died Saturday morning early at the Hamlin Memorial Hospital, where she had been a patient for nine days. She had been an invalid for five years.

Born at Blevins in Falls County, August 30, 1874, Mrs. Busby was the daughter of the late Mr. and Mrs. J. L. Courtney. She was married to B. P. Busby on December 1, 1889, and the couple moved to Hamlin about two years ago from Lorena.

Funeral services were conducted Monday afternoon at the First Baptist Church in Hamlin. Officiating was Rev. Houston Walker, pastor.

Interment was in the Hamlin East Cemetery under direction of Hamlin Funeral Home.

Surviving the octogenarian are her husband; two sons, A. Y. Busby of Fort Worth and B. C. Busby of Houston; five daughters, Mrs. J. C. Morris of Fort Worth, Mrs. M. B. Kimberlin of Dallas, Mrs. E. J. McBride of Monahan, Mrs. D. R. Weber of Shallowater and Mrs. Clifford Stuart of Hamlin; a brother, B. C. Courtney of Oglesby; and 24 grandchildren.

U. S. Forces to Stay In Korea Declares Speakers to Lions

"U. S. military forces will remain in Korea for a number of years," prophesied Jerry Carr, Hamlin soldier just returned from that Far Eastern spot, when he spoke at the Tuesday noon luncheon of the Hamlin Lions Club at the oil mill guest house.

Young Carr, connected with the Quartermaster Corps of the U. S. Army, said that if United Nations forces were withdrawn from the already war-torn country, the Chinese Communists would immediately overrun the land and threaten other lands in the area.

"Korea still is badly torn by the ravages of war, few repairs having been made. Even the capitol building at Seoul has never been repaired from the war damage," Carr said.

Korea is terribly backward, he observed, where no tractors, few livestock and primitive methods are used. He said American forces generally are well liked, and that they are building a system of roads and other communications. However, no repairs to the homes or buildings are being made by the troops.

Besides the speaker, other visitors at the Tuesday luncheon were Dan and Van Newberry, sons of B. V. Newberry.

Santa Fe Carloadings Continue Above 1954

Santa Fe Railway System carloadings for the week ending May 21, 1955, were 22,964 compared with 20,565 for the same week in 1954. Cars received from connections totaled 12,259 compared with 11,252 for the same week in 1954.

Total cars moved were 35,223 compared with 31,817 for the same week in 1954. Santa Fe handled a total of 35,432 cars in the preceding week of this year.

Police Chief Foster Attends Gathering of Officers Near Spur

Police Chief J. H. Foster last Friday attended the sixth annual meeting of West Texas peace officers at the Wood Ranch in Dickens County near Spur, when 278 special guests and friends partook to two barbecued beefs and other hospitality provided by the hosts.

Started in 1949 as a gesture to a few officers of that area by the Woods, the event has grown to include a broad expanse of West Texas.

One of the features of the meeting, besides the get-together angle that provided plenty of conversation and "shop talk," was a rattlesnake shooting rodeo. Snakes were placed in a sand-floored enclosure, and some of the best shots of the section competed with their pistols in clipping the heads from the snakes. Highway Patrolman Davis, formerly of Stamford, was one of the stars in the competition.

Foster said he was not good enough shot to participate.

No pillar or post
for this wide-open beauty

It's the new kind of hardtop—
The 4-Door Riviera!

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

LAST WEEK'S MYSTERY FARM PICTURE in The Herald was first correctly identified by Mrs. Jay Perryman of Route 4, Hamlin, as that of the place of Mr. and Mrs. A. G. Smith, seven miles southwest of Hamlin. The Smiths purchased the place 15 years ago, and are devoting its 180 acres to the raising of row crops and wheat. They run a good sized herd of livestock on the place. Good soil practices are maintained.

Hamlin All-Church VBS Attendance High

Hamlin's all-church Vacation Bible School is reporting peak attendance this week, according to a report gathered by Rev. Houston Walker for The Herald. A grand total of 542 children and teachers were reported from seven churches.

Seven floats kicked-off the first event in Hamlin with a parade last Saturday afternoon at 5:00 p. m. Each church had a float and a large crowd of onlookers.

Most schools will continue until the end of next week, children and parents are advised.

work; Mrs. J. D. Ferguson, secretary of spiritual life; Mrs. J. M. Beale, secretary of literature and publications; Mrs. M. L. Smith, secretary of supply work; Mrs. V. V. Anderson, secretary of status of women.

Officers of Wesleyan Service Guild—Mrs. Earl Brown, president; Mae James, vice president; Mrs. Joe B. Stephens, recording secretary; Mrs. Fred Smith, treasurer; Mrs. H. A. Johnston, secretary of promotion.

Trustees—Richard Young, T. C. Blankinship, Buren Carlton, J. C. Cauble, Joe Culbertson, Fred Smith, Mrs. A. A. Hackley, W. L. Hunter Jr., Sara Kay Fomby.

Mrs. Jay Perryman Identifies Mystery Picture for Week

Mrs. Jay Perryman of Route 3, Hamlin, was the first to correctly identify the mystery farm picture featured in last week's issue of The Herald. She will receive a one-year subscription to Your Home Town Paper.

The picture was that of the farm home of Mr. and Mrs. A. G. Smith, southwest of Hamlin.

The 180-acre place was purchased by the Smiths 15 years ago from the Johnson estate, and they have made it their home since that time. The farm, where soil conservation practices have helped to improve the productivity of the place, is devoted to the raising of row crops and wheat. A good herd of livestock is maintained by the Smiths, who raise their own feed, supplemented by protein-rich feeds.

The Smiths were married in 1933. They have two children: Jerry Glenn Smith, 20 years old, who is a junior at Texas Technological College at Lubbock; and Annette Jean Smith, who is a 16-year-old junior at Hamlin High School. They are members of the Hamlin First Baptist Church.

Smith declares that if he has a hobby it is making some of his own farm tools and gadgets with an electric arc welder.

It is easier to form a good character than reform a bad one.

Recent Trip to Japan Told in Slides at Local Rotary Club Luncheon

A colorful show of slides of the island of Japan by Mrs. Carl Murrell and Mrs. Holly Toler highlighted the Wednesday noon luncheon of the Hamlin Rotary Club at the Oil Mill Guest House.

The women, just returned from a visit to Japan, showed the slides and commented on the country. They were guests while there of Mrs. Murrell's son, Max, who is aide to General Cuderdale commander of the Central Command in Japan.

Guests included: Brooke Early of Stamford, A. G. Harker of Abilene, Bob McBride of Sweetwater, H. Hicks Allen and C. F. Dugas of Snyder. Lee Johnson of Sweetwater was a guest of Bob McBride and Joe Ray Rosenbaum of Denton was a guest of O. D. Rowland.

RED CROSS MESSAGES.

The American Red Cross telecommunications system handles an average of 110,000 messages a month. Of this number, approximately 95 per cent are welfare communications involving the armed forces.

The greatest reward for a job well done is in having done it.

AN OUTSIDE JOB

The owner of a manufacturing company brought his shop foreman to his office, where he produced a set of blueprints.

"We've got to make 50,000 of these and we've got to make them fast."

The foreman examined the blueprints intently and shook his head. "I'm sorry, Mr. Smith," he said, "but there's no man living who can make a thing like that. We'll have to send out and buy them."

Marrying a woman for her beauty is like buying a home for its paint.

Sometimes the fellow who says he's satisfied with married life really means that he's had all wants of it.
